Leadership Freediving Course 2012/2013

West Australian Undersea Club Inc. is offering all financial club members a great opportunity to be part of a Leadership Team who will be championing free-diving safety and techniques. Our goal is to improve the culture of safety within our freediving/ spear-fishing community and to ensure our sport improves through good guidance in safety and technique.

Successful applicants will receive a club-subsidised place in an Apnea Australia Course A from Australia's leading Freediving school www.apneaustralia.com.au (Alternatively, Part B if Part A has been completed). This course, conducted by ErezBeatus, involves a weekend in Perth (2 days) of freediving theory and open-water training in the safest way to perform freediving while allowing the fastest improvement. This program was made possible through a small community grant from Recfishwest and Department of Fisheries. The two page application form should be returned in person or via email by 20 November, 2012 (Nov. club meeting) to the people listed below. There are 22 places available for members.

Subsidised Course Cost: \$225.00 (Normal Cost \$550)

The course runs on a Friday evening, with Saturday and Sunday for practical and theory sessions.

Please Circle: Applying for Course A or B (if A has been completed)

Indicate in order of preference, the course dates most preferred (1 = most preferred)
